A Christian worldview on our cycles:

Blessing God's Way seeks to provide churches, organizations and communities with the tools to proclaim the amazing message of God's wondrous creation of the woman's body from a Christian perspective.

We seek to be an international, non-denominational standard for implementing resources on the three branches of womanhood: Maidenhood, Maternity, and Menopause.

Our hope is to see the church body recognize the importance of proclaiming God as the creator of women's cycles and educating women, from a very young age, on His awesome design.

*"Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God."
1 Corinthians 2:12 (NKJV)*
